Detailed description: The diagram shows a user interface for entering delivery request records. It is contained within a rectangular frame labeled '14'. At the top of the frame is the title 'DELIVERY REQUEST RECORD INPUT'. Below the title, on the left, is the label 'PARCEL ID' followed by a horizontal rectangular text input field, which is labeled '14a'. Further down, there are three rectangular buttons. On the left is a button labeled 'SENDER INPUT' with reference numeral '14b'. Below it is a button labeled 'RECEIVER INPUT' with reference numeral '14c'. To the right of the 'SENDER INPUT' button is a button labeled 'CANCEL' with reference numeral '14d'.
